Taking the Nations for the Kingdom

**MARCH 27-28 - TRINITY FELLOWSHIP, SAYRE, OK**

Trinity Fellowship has been called to the Nations! God is working in and through the hearts of our people to go to the nations. While traditional missions have been in place throughout the country, we have been called to go to the nations in both traditional and non-traditional ways.

We are hosting a mission's summit March 27th – 28th. Our desire for this summit is to gather those of us who have felt the call to go to the mission field, both internationally and here at home.
