Baptism:

In previous years at the Camp of Champions, many young boys and girls have given their lives to Jesus. On the last day of each camp we have a baptism service for those desiring to be baptized as a result of their salvation. It is one of the highlights of the Camp for instructors, parents and campers. We would never undermine your authority as a parent, so we would need your permission to baptize your child, should he/she make a salvation decision. Registration personnel will ask you at time of check-in if baptism is OK. If you are bringing someone else's children they must also have parental permission.
